ZOOM

I will be arranging to conduct live classes via the Zoom virtual meeting platform in the very near future. 1-2-1 sessions will follow soon after. All students / parents, please download the Zoom app to a smart phone or tablet; or register via the website www.zoom.us on a laptop / PC.

This is completely free and has worked well for me during test meetings over the past few days. All students who are continuing to commit to monthly membership fees will receive an email link for the Zoom virtual classes so please ensure I have your current contact details and you have subscribed to the mailing list via the pop up box on the website home page:
(If the pop-up box does not appear, please send your email address to me and I will add manually)

CLUB GRADING MONDAY 27TH APRIL

Our club grading has been cancelled. All money received for grading fees will be carried forward to our next grading opportunity; if you would prefer a refund, please contact me ASAP.

MONTHLY MEMBERSHIP / STANDING ORDER

I completely understand that there are difficult decisions to be made in many aspects of everyday life now, in order to protect our respective families and lifestyles. Please remember that you are in complete control of your Standing Order for monthly membership. Whether you choose to continue to pay in full or in part or even choose to cancel; you have autonomy over the mandate which is why I choose to collect fees in this way – leaving the customer in charge.

All our online content will remain available and accessible to all paying students.

SINCERE THANKS

During this horrible time of uncertainty due to the worldwide health crisis, I have received many kind words of support for our clubs from students and parents. I would like to express my sincere gratitude for this; at a time when we are all so worried about our own family and friends in trying to remain safe and well, some would think of their Tae Kwon-Do club and instructor. I do hope that all students and their families have remained safe and well at this very difficult time.

I am not completely comfortable writing this as I would like to maintain a positive outlook, but if anyone does have any not so good news, please understand that I believe I speak on behalf of the TAGB and it's 25,000 members when I say that we would really like to know so that we can offer some help and support in any way we can.

Stay safe, stay well, stay in.
