

TAE KWON-DO MAZE

Josh desperately wants to get his hands on the TAGB's Tae Kwon-Do Grading Syllabus book which contains lots of coloured-belt information on patterns, stances, punches, blocks, kicks, step sparring and much more! Can you help him navigate his way through the maze to get his copy?

The maze is a complex grid of black lines forming a square. On the left side, a cartoon boy in a white Tae Kwon-Do uniform is standing. A yellow arrow points from him into the maze. On the right side, there is a small image of a book titled 'TAE KWON-DO' with a group of people on the cover. A red arrow points from the maze towards the book. The text 'TheTeachersCorner.com' is visible in the top right corner of the maze area.
